Superintendent's Report

To the Dummer School Board and Citizens:

Herewith is submitted, for your consideration, the annual report of the condition and progress of your schools, with school statistics for the year 1939-40.

Two schools, (West Dummer and Willis), were in session for the year of thirty-six weeks.

At the close of the school year in June, three pupils were graduated from the Eighth Grade at the Willis School. and one pupil at West Dummer.

Four of our former pupils are now attending Berlin High School and one is registered at Gorham High.

During the year, your Superintendent has visited and inspected classes as in the past. Corrections and changes have been made where needed.

This present school year opened with a new teacher at the Willis School—Miss Lillian Fernald, a graduate of Gorham, Maine Teacher's College. The West Dummer School is again under the direction of Mrs. Lena Rich.

The Health Inspection work is this year being conducted by Mrs. Mary Spaulding, of Whitefield, a school nurse of considerable experience.

Statistics for the last complete school year are as follows:
